## How Will You Run Your Group Program

To talk about your role as a group coaching program leader/coach is to talk about your power, and to talk about your power is to acknowledge that it exists.

### Three Types of Group Program Leaders

### HARNESS YOUR POWER

Leading a group coaching program is inevitably an exercise in \_\_\_\_\_.

Once your clients have chosen to come into your kingdom, they want to be governed:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

When you fail to govern you may be elevating how you want them to \_\_\_\_\_ over how you want the experience to go for \_\_\_\_\_.

Pulling back on your power creates a \_\_\_\_\_.

### EXERCISE & ENFORCE YOUR POWER

It isn't enough to exercise your power at the start of your group program by setting the:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

If you do not enforce your power throughout the entire program, others will step in and enforce their own purposes, directions, and ground rules.

## GENEROUS LEADERSHIP

1. A group coaching program run on generous leadership is run with a \_\_\_\_\_, \_\_\_\_\_ hand, but it is run \_\_\_\_\_ for the sake of others.
2. Sometimes generous leadership demands a willingness to be \_\_\_\_\_ in order for your clients to have the best experience of your group program.
